

# Welcome ...

## ... to our guest suite!

We have made every effort to ensure that everything is comfortable, convenient, clean and friendly. Our guideline is the \* \* \* hotel standard (three stars).

## Facilities

Our guest suite has a separate entrance, but is also accessible from the rest of the house.

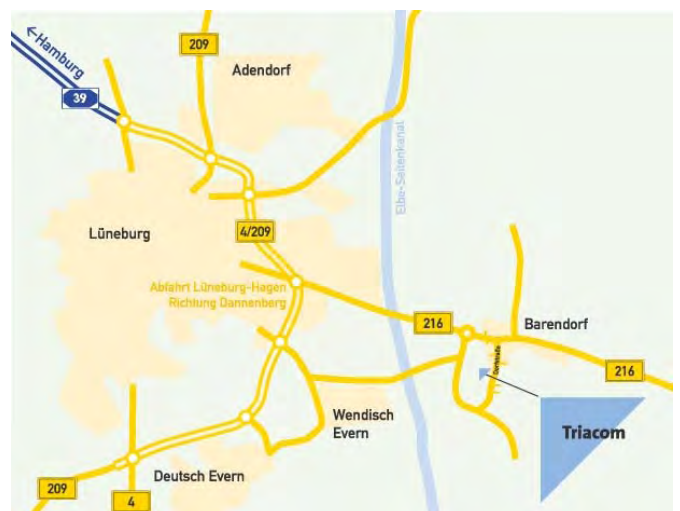

It is nice and warm in the winter and pleasantly cool in the summer. The rooms are well lit. All windows can be opened, and the bedroom can be darkened almost completely. The entire building is smoke-free.
